

GEDA® 1200 Z/ZP

Your powerful partner for heavy loads and efficient working

Two devices in one: material hoist and transport platform

Large loading volume – allows convenient transport of all types of construction materials

Safe loading and unloading at all landing levels

Automatic lubrication device as a standard

GEDA 1200 Z/ZP

The large loading capacity of the GEDA 1200 Z/ZP transport platform allows quick and safe transport even of bulky and heavy construction materials.

With two separate controls, the GEDA 1200 Z/ZP can be used simply as a material hoist with a lifting speed of 24 m/min or as a transport platform for passengers and materials with a lifting speed of 12 m/min.

Various platform modules with different load capacities and sizes offer the right solution for any area of application and any challenge at a construction site.

Despite the high load capacity of up to 1500 kg, the transport platform is guided on only one mast of the proven GEDA VARIO-MAST system. With an adapter mast, the GEDA 1200 Z/ZP can also be operated with the GEDA S_{VARIO}-MAST.

Technical data:

1500 kg
7 persons

130 m

12/24 m/min

**2 x 3.0/6.1 kW/400 V/
50 Hz/32 A**

Platform:

GEDA 1200 Z/ZP platform A
1 loading door / 1 unloading ramp

Recommended landing level safety gates:

NEW!

Premium
Art. No. 68040

Comfort
Art. No. 01212

Sheet metal panel for Comfort
Art. No. 68302

Accessories:
