

GEDA®
500 Z

Powerful material hoist

GEDA UNI-X-MAST system

**Ideal for transporting all types
of construction materials**

Convenient loading and unloading

Platform swivels 90° to one side

GEDA 500 Z

Thanks to its robust design, the GEDA 500 Z braves the often rough conditions at construction sites and has proven itself as a reliable transport helper over many years. With its spacious platform, the powerful material hoist offers sufficient space for heavy, bulky construction materials up to a weight of 500 kg, and moves its freight up to 100 m height at 30 m/min.

The platform of the GEDA 500 Z can be swivelled by 90 degrees, which allows safe and comfortable loading and unloading at the respective landing levels. At the ground station, items can be loaded parallel to the building, which saves space.

A patented single-axle trailer for transport and for automatic set-down and loading of the hoist is available from the accessories range.

Technical data:

	500 kg
	100 m
	30 m/min
	5.5 kW/400 V/ 50 Hz/16 A

Platform:

GEDA 500 Z swivel platform
1 loading and unloading ramp

Landing level safety gate:

ECO +
